Dear Dr. Elicker:

I have pleasure in sending you two programs of the ceremony on the 18th of May. On page 4, which gives the floral tributes of the day, you will note how we have credited the National Education Association for its wreath.

I am very sorry that you were not at the ceremony for I am sure you would have enjoyed it.

Cordially yours,

Bertha L. Lyons (Mrs. N.)

Dr. Paul E. Elicker, Executive Secretary
